question of the month:

What would you go for if you have to: girls or bikes and tell us why?

Niels: That's a hard one...

Gareth: That is impossible, that is like hockey with no beer.

Benny: I could not choose between girls and bikes because it's both really hard to ride.....and it hurts if you crash.

Trond: Both! Bikes because you can have several at the same time without them being jealous, and girls because you don't have to fix them all the time. A dream would be to have bikes and a female mechanic. Yeah!

Brandon: Bikes because the only problem you have with it is breaking parts.....not hearts

Gareth Dyer

During the roadtrip „new free:ks in the park“ Gareth showed a new talent that was unknown by his team mates. When they played around and started singing in the evening, Gareth suddenly took over the leading voice and emerged as the hip hop talent of the freeride scene. With the song LeogANGBANG Gareth and his buddies Trond and Niels will definitely conquer the Freeride charts.

Trond Hansen

Trond showed great performance at the BRAUN 26TRIX and finished 6th in the world's biggest 26" Dirt Jump contest. The week after he 360'ed off the YETI drop at the Adidas Slopestyle and broke his collarbone, because he over rotated. Trond is getting healthy again back in Norway and working on his rehab in order to be back in shape for Crankworx and Red Bull District Ride in Nuremberg. We wish Trond a great recovery.

Niels Windfeldt

Niels was the film producer on the bikepark roadtrip with his buddies. He made a video and we are curious about the trailer. The clip will be released in August on www.freecaster.com. Besides filming Niels rocked at the Adidas Slopestyle Goafking and impressed with his huge superman tailwhips which gave him first place in the world class comp.

Brandon Semenuk

Brandon made his first trip to Europe and certainly enjoyed it. Not only rocking thru the best parks in Europe made him smile, but when he entered as the youngest rider in the BRAUN 26TRIX in Leogang he finished in the finals with 15 other top riders which was awesome.

Benny Korthaus

Benny is on his way back from an injury recovery and is hitting again more BMX contests. Recently he pulled at a dirt jump contest a 360- Doubletailwhip! Yihahh! Big respect! In the next month he will be seen at different BMX contests again like the LG Games, the rebeljam and BMX Masters.
